

1667, 1669 Series Visicounter

For the most demanding applications, indoors or outside . . . withstands dust, moisture, oil, grease, shock, and vibration.

Combines excellent performance with practically indestructible construction. The counter of choice where only the most durable can survive. Commonly used on construction equipment, cement mixers, paving equipment, stokers, agricultural machinery, and other applications in extremely hostile environments. Available in both ratchet and geared drives, the 1667, 1669 Series features highly visible white-on-black figures, quick rotary-reset, rugged die cast case, and steel shaft.

- Unaffected by harsh application environments
- Die cast metal and steel external components
- 6 figures – large, easy-to-read numerals
- Oversized 0.3125 (7.9 mm) plated steel shaft
- Ratchet drive and geared drive models
- Geared drive available in 1:1 and 3:1 ratio
- Ratchet drive has positive stop and internal return spring
- Quick, rotary reset
- Long life – no lubrication required
- Shaft accepts standard measuring wheels
